

## FU JEN CATHOLIC UNIVERSITY ENVIRONMENTAL PROTECTION & HEALTH AND SAFETY POLICY

In adherence to its motto of “**Truth, Goodness, Beauty, and Holiness,**” Fu Jen Catholic University aims to establish a sustainable campus that is **environmentally friendly, safe, healthy, and happy**. All teachers, staff, and students are committed to this goal, and assist any contractors, visitors, and members of our community in their endeavors towards the following:

1. Implement autonomous management and comply with obligatory duties.
2. Promote energy saving and waste reduction to actively prevent pollution.
3. Ensure health and safety, and strive for risk reduction.
4. Optimize process operations to enhance the performance of environmental, safety, and health systems.
5. Strengthen communication training for both internal and external parties.
